'GB to produce skilled workers for CPEC projects'

GILGIT: Gilgit-Baltistan Assembly Speaker Syed Amjad Zaidi has said the region can grab substantial benefits from the projects launched under the China-Pakistan Economic Corridor by providing skilled workforce.

He expressed these remarks while addressing a donor conference organised in Skardu on Monday by the Directorate of Technical Education and Skills Development (DTESD) in collaboration with TVET Sector Support Programme (TVET SSP).

Purpose of the event was to ensure sustainability as well as promotion of TVET programmes in the region through enhanced collaboration of donors.

Education minister Raja Azam Khan, secretary education Iqbal Hussain Khan, head of Cooperation of EU Delegation in Pakistan Mr Ovidiu Mic, Head of TVET SSP Ms Iris Cordelia Rotzoll, Director DTESD Lone and representatives from donations attended the event.

Mr Zaidi said a number of megaprojects had been launched under CPEC, especially in water and cotton, tourism, trade, renewable energy and information technology sectors, which will create a huge job market. "We can get maximum benefit from this market by producing a skilled workforce."

He said partnership between TVET SSP and other development agencies would help train the required workforce to meet the challenges for prosperity and economic growth in GB.

On the occasion, Mr Ovidiu Mic appreciated collaborative efforts of various development partners in the region who have built on what EU and its development partners had initiated. "This region has a scope for a variety of skills in sectors like construction, engineering, health, information technology and renewable energy, and "We look forward to continued engagement in the TVET sector."

ELECTION SCHEDULE: Gilgit-Baltistan Chief Election Commissioner Raj Khan on Monday issued schedule for Council elections to be held on November 2 and 3.

Voting to elect the six members of the Council will be held in the GB Assembly on November 2. The year tenure of the current members of the Council will expire on November 3.

A total of 33 members of the Gilgit-Baltistan Council will be elected. The returning officer will submit their names to the election commission on November 2. The returning officer will scrutinise the papers and the election commission will announce the list of candidates on November 3.

Mr Khan said the election commission will announce the list of candidates on November 3. The returning officer will submit their names to the election commission on November 2. economic interventions, especially the construction of dams and roads network. He said the unexplored mineral resources, tourism, trade, renewable energy and emerging IT sector were a huge job market and we can get major benefits from this market by producing a skilled force.

To cater to this situation, it requires an effective TVET system that can adapt and produce the required trained workforce in GB, so that the upcoming positions can be filled by the Pakistani workforce, he maintained.

The speaker also said the partnership between DTESD, TVET SSP and other development partners would help train the required workforce to meet the challenges for the prosperity and economic growth in GB. Addressing the audience, Ovidiu Mic said the collaborative efforts of various development partners in this region could further build on what the EU and its development partners had initiated with our engagement over the past decade.

He said this region has a lot of scope for a variety of skills in the sectors, such as construction, engineering, hospitality, information technology, and renewable energy, and we look forward to continuing our engage-

CPEC projects can bring economic, social development in region: GB LA Speaker

APP
ISLAMABAD

Speaker Gilgit-Baltistan Legislative Assembly Syed Anjad Ali Zaidi, welcoming multiple initiatives of Technical Vocational Education and Training Sector Support Programme (TVET SSP) and international donors for producing skilled manpower in the region, on Monday said that the region could grab substantial benefits of China Pakistan Economic Corridor (CPEC) projects by providing a skilled workforce that could bring economic and social development of the local people.

He expressed these views while addressing a donors' conference organised by Directorate of Technical Education and Skills Development (DTESD), GB, in collaboration with TVET Sector Support Programme (TVET SSP) in Skardu.

The purpose of the event was to ensure sustainability as well as promotion of TVET programmes in the region through enhanced collaboration of donors, according to a statement.

Education Minister GB Raja Azam Khan, Secretary Education Iqbal Hussain Khan, Head of Cooperation of ISI Delegation in Pakistan Omidia Mir, Head of TVET SSP, Prof. Ferdousi Razi, Director, TESD Faisalabad along with representatives from donors' organisations attended the conference.

The GB Speaker said that in the CPEC scenario, the region is witnessing a number of economic interventions, especially construction of dams and roads network, under the National Vocational and

Technical Training Commission (NVTTC) and the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), in collaboration with regional TESDA, PVTC, and regional TVET bodies like GB DTESD.

The GB government is taking concrete steps for the promotion of TVET sector through approval of the TVET Act 2018 of Gilgit-Baltistan. The legislative process has opened doors for real-time reforms in the TVET sector of this remote region.

Some key initiatives of TVET SSP in Gilgit-Baltistan include human resource development and private sector engagement in TVET.

Through the conference, the GB government provided a platform to present a roadmap for sustainability of interventions of TVET SSP carried out since 2011 in the region. It will also encourage the TVET sector to attract donors and partners for the funding of key areas of the 5-year TVET Policy Implementation Plan and Gilgit-Baltistan TVET Strategy (2021-20).

The article text below the photo reads: 'SKARDU: The Directorate of Technical Education and Skills Development (DTESD), Gilgit Baltistan (GB) with the facilitation of the TVET Sector Support Programme (TVET SSP) convened a donors' conference for the sustainability of Technical and Vocational Education and Training (TVET) in the region. With this conference, the Government of GB provided a platform to present a roadmap for sustainability of interventions of TVET SSP carried out since 2011 in the region. It was also an opportunity to look at GB's economic potential to attract substantive investments for the implementation of the 5 years 'TVET Policy Implementation Plan' and 'GB TVET Strategy 2030'. The TVET Sector Support Programme (TVET SSP) is funded by the European Union, the Federal Republic of Germany and the Royal Norwegian Embassy. It is implemented by the National Vocational and Technical Training Commission and the Deutsche Gesellschaft für internationale Zusammenarbeit (GIZ), in collaboration with regional TEVTAs, PVTC and regional TVET bodies like GB DTESD.'

ڈانریکٹریٹ آف ٹیکنیکل ایجوکیشن اینڈ سکولز ڈویلپمنٹ گلگت بلتستان، (ٹی وی ای ٹی) سیکٹر سپورٹ پروگرام کی جانب سے ڈونرز کانفرنس کا انعقاد کیا گیا۔

اس کامقصد خطے میں ٹیکنیکل اور ووکیشنل تعلیم اور تربیت کے فروغ کیلئے ڈونرز حاصل کرنا تھا۔ کانفرنس میں سیکرٹری قانون ساز اسمبلی سید امجد زیدی، وزیر تعلیم راجہ اعظم خان، سیکرٹری تعلیم اقبال حسین خان، پاکستان میں یورپین یونین کے وفد کے تعاون کے سربراہ مسٹر اووڈیو مائیک، ٹی وی ای ٹی سیکٹر سپورٹ پروگرام کی سربراہ انریس کورڈیلارونزول، ڈانریکٹریٹ ٹینسی ایس ڈی فیض اللہ لون اور ڈونرز تنظیموں کے نمائندگان نے شرکت کی۔

اس موقع پر خطاب کرتے ہوئے سیکرٹری سید امجد زیدی، وزیر تعلیم راجہ اعظم خان ودیگر نے اس پورے عمل کو اسان بنانے کے لیے TVET SSP کی کاوشوں کی تعریف کی۔ انہوں نے کہا کہ "سی پیک خطے کا نقشہ ہی بدل دے گا۔ ابدی کے منظر نامے میں ڈیمز اور سڑکوں کے نیٹ ورک کی تعمیر غیر دریافت شدہ معذنی وسائل، سیاحت، تریقا پند کامرس، رینیویا بل انرجی اور اہرتے ہونے آئی ٹی سیکٹر نے جی بی میں بنر منڈلیبر فورس کی ضرورت کو اجاگر کیا ہے۔

اس ضرورت کو پورا کرنے کیلئے ایک مکمل TVET سسٹم جیسی معاونت کی ضرورت ہوتی ہے جو کہ جی بی میں مطلوبہ تربیت یافتہ افرادی قوت کو پیدا کرے اور اسے ڈھال سکے تاکہ انے والی اسامیوں کو پاکستانی ورک فورس کے ذریعے پُر کیا جا سکے۔ انہوں نے کہا کہ کہ ڈی ٹی ای ایس ڈی، ٹی وی ای ٹی ایس ایس پی اور دیگر ترقیاتی شراکت داروں کے درمیان تعاون سے جی بی میں خوشحالی اور معاشی ترقی کے چیلنجوں سے نمٹنے کے لیے مطلوبہ افرادی قوت کو تربیت دینے میں مدد ملے گی۔

یورپین یونین کے وفد سربراہ اووڈیو مائیک نے کہا کہ اس خطے میں مختلف ترقیاتی شراکت داروں کی مشترکہ کوششیں اس کام کو مزید فروغ دے سکتی ہیں جس کا آغاز یورپین یونین اور اس کے ترقیاتی شراکت داروں نے گزشتہ ایک دہائی میں ہماری شمولیت کے ساتھ کیا۔ اس خطے میں تعمیرات، انجینئرنگ، مہمان نوازی، انفارمیشن ٹیکنالوجی اور رینیویا بل انرجی جیسے شعبوں میں مختلف قسم کی مہارتوں کی بہت گنجائش ہے، اور ہم یہاں TVET کے شعبے میں اپنی کاوشوں کو جاری رکھنے کے خواہشمند ہیں۔

The image shows the front page of the Daily K2 newspaper. At the top, there is a banner with the newspaper's name 'DAILY K2' in large, bold letters, and below it, the cities it serves: 'GILGIT-BALTISTAN-RAWALPINDI-ISLAMABAD-KARACHI'. The page is filled with news articles in Urdu. A prominent headline in the center reads 'ملکیتان کو سلسلے انتخابات آئین کے ذریعے کر جائیں گے چیف جسٹس شہزاد' (Sindh and Balochistan will be held through the constitution, Chief Justice Shahzad). Below this, another headline says 'سٹیڈن سیدیل کون الیکشن 12 نومبر کو ہونگا؟' (Will the 12th National Assembly session be held on November 12?). The page also features several advertisements, including one for Gilbey's and another for 'چشمی' (Chashmi) eye care. The layout is typical of a newspaper front page, with multiple columns of text and various headlines.

معاشی چھوٹاں بہتر بنانے کیلئے سکروٹس نو جوانوں کا روزگار میسر کرنے کا انعقاد

میلہ کے انعقاد کا مقصد تربیت یافتہ انفرادی قوت کو گلگت بلتستان کی اقتصادی ترقی کا لازمی حصہ بنانا ہے۔

نوجوان گریجویٹس کو صف اول کی انٹرنیٹ سروسز فراہم کرنے اور ان کے لیے معاشی ترقی کا لازمی حصہ بنانا ہے۔

پہلا روزگار کا انعقاد ہے۔

بقیہ 24

اینڈسکلر ڈیولپمنٹ نے TVET (ٹی وی ای ٹی) سیکٹر سپورٹ پروگرام کے تعاون سے سکروٹس میں پہلی مرتبہ روزگار میلہ کا انعقاد کیا تاکہ تربیت یافتہ انفرادی قوت کو گلگت بلتستان کی اقتصادی ترقی کا لازمی حصہ بنایا جاسکے۔

سکروٹس 26 اکتوبر 2021 ڈائریکٹوریٹ آف ٹیکنیکل ایجوکیشن اینڈ سکول ڈیولپمنٹ (ڈی ٹی ای ایس ڈی)، گلگت بلتستان نے TVET (ٹی وی ای ٹی) سیکٹر سپورٹ پروگرام کے اشتراک سے پہلے روزگار میلے (جاب فیئر) کا انعقاد کیا تاکہ نوجوان گریجویٹس کو صف اول کی انٹرنیٹ سروسز فراہم کر کے روزگار کی تلاش میں ان کی معاشی ترقی کا لازمی حصہ بنایا جاسکے۔ تقریب میں معروف کاروباری اداروں میں TVET (ٹی وی ای ٹی)

ٹی) سیکٹر سپورٹ پروگرام کے تربیت یافتہ اور اعلیٰ تعلیم یافتہ گریجویٹس کی فعال شرکت دیکھی گئی جنہوں نے اپنی قابلیت پر مبنی تربیت مکمل کی یا ریکالیشن آف پرائمری لرننگ (آر پی ایل) کے ذریعے اپنے سرٹیفکیٹ حاصل کیے تھے۔ وزیر تعلیم، ڈی پی ٹی ای ایس ڈی کے نمائندگان، ایف پی سی آئی کی ٹیموں ہاؤس اسلام آباد کے سربراہ اور یورپین یونین کے پاکستان کی جانب وفد معززین اور ڈیڑھ مندوبین نے جاب فیئر کا دورہ کیا تاکہ شرکت کرنے والے 4 کاروباری اداروں میں تربیت یافتہ نوجوانوں کی شمولیت (ہائرنگ) کے عمل کا جائزہ لیا جاسکے۔ جاب فیئر کے بعد سکروٹس گورنمنٹ ویٹنری ٹریننگ سینٹر کے 75 سی پی ٹی اے گریجویٹس کو سرٹیفکیٹ دینے کی تقریب منعقد ہوئی۔

گلگت بلتستان کی معاشی صلاحیت صرف اس صورت میں استعمال کی جاسکتی ہے جب حکومت باقاعدہ طور پر مہارت کی پیش رفت کا طریقہ کار وضع کرے۔ باضابطہ تعلیم میں نوجوانوں کے اندراج کا بڑھتا ہوا رجحان ہے لیکن بد قسمتی سے TVET (ٹی وی ای ٹی) سیکٹر نوجوانوں کیلئے کم ترجیح رکھتا ہے جس کی وجہ سے دیار ہماشا ڈیم کی تعمیر، کے کے ایچ کی توسیع، غیر در یافتہ شدہ معدنیات، سیاحت، ٹریڈ اینڈ کامرس اور ابھرتے ہوئے آئی ٹی سیکٹر جیسے حساسی میکانیسمیں بحریوں کے لیے نوکریوں میں عدم توازن کا سامنا ہے۔

A navigation menu includes Home, Pakistan, World, Sports, Business, Technology, Showbiz, Health, Weather, and Life & Style. The main content area features a 'BREAKING NEWS' banner with 'No News Sorry.' Below this is the headline: 'FIRST-EVER ROZGAR MELA IN SKARDU TO MAKE TRAINED WORKFORCE INTEGRAL PART OF GB'S ECONOMIC GROWTH', dated October 26, 2021. The article includes a photo of a certificate award ceremony with participants seated at a table. To the right, there is a 'Latest News' sidebar with several news items, and a 'More News' section at the bottom. The article text discusses the Directorate of Technical Education and Skills Development (DTESD) in Gilgit Baltistan organizing a first-ever Rozgar Mela (job fair) to make young graduates' integral part of GB's economic growth through job placements in leading enterprises. It mentions the event witnessed active participation from trained and well-qualified graduates from TVET Sector support Programme who have completed their competency-based training or received their certificates through Recognition of Prior Learning (RPL). The Minister Education, representatives of DTESD, Head of FPCCI Capital House Islamabad and EU Delegation to Pakistan Dignitaries and donor delegate visited the job fair to experience the induction process from 4 participating enterprises. The job fair was followed by a certificate award ceremony to as-many-as 75 CBTA graduates of Government Vocational Training Centre in Skardu. GB economic potential can only be tap if government develops a formal skill development approach. There is an increasing trend of enrolment of youth in formal education but unfortunately the TVET stream remains a low priority for the youth causing a job mismatch for recruitments in ongoing mega projects like construction of Diamer-Bhasha Dam, expansion of KKH, un-explored mineral resources, tourism, trade & commerce and emerging IT sector. Current data suggests more than 400,000 people work in the labour force (age 15-65) of GB now. Every year it is estimated that 20,000 more young, men and women will further be added to this total labour force. Due to unavailability of skilled labour, local work force is not actively contributing to or benefiting from the regional economy. The TVET landscape of the region is highly fragmented and has challenges in defining its needs and exploring opportunities. TVET as a sector largely resides within the scattered network of local and I-NGOs and, has generally been driven with very little input or ownership of the government. After the recent development of the approval of the TVET Act 2018 of Gilgit Baltistan, the legislative process has opened doors for real-time reforms in the TVET Sector of this remote region. In this regard DTESD partnered with TVET SSP has been supporting the GB government in developing infrastructure, train HR (Directorate, Trade Testing Board, Board of Technical Education) and largely support to sustain the reforms. **Read more:** Directorate of Technical Education and Skills Development Gilgit Baltistan, TVET Sector Support Programme, creates Donor Conference for Sustainability of TVET.

Donors conference held in Skardu to promote skills development in GB
News Desk 6 days ago

for Sustainability of TVET Sector in Gilgit Baltistan

SKARDU - While welcoming multiple initiatives of TVET SSP and international donors for producing skilled manpower in the region, Gilgit-Baltistan Assembly Speaker Syed Amjad Zaidi has said that the region can grab substantial benefits of CPEC projects by providing a skilled workforce that can bring economic and social development of the local people.

He expressed these remarks while addressing a donors conference organized by Directorate of Technical Education and Skills Development (DTESD), GB, in collaboration with TVET Sector Support Programme (TVET SSP) here on Monday.

Purpose of the event was to ensure sustainability as well as promotion of TVET programmes in the region through enhanced collaboration of donors.

Education Minister GB Raja Azam Khan, Secretary Education Iqbal Hussain Khan, Head of Cooperation of EU Delegation in Pakistan Mr. Ovidiu Mic, Head of TVET SSP Ms. Iris Cordelia Rotszoll, Director TESD Fazlullah Lone along with representatives from donors' organizations attended the conference.

The GB assembly speaker mentioned that in the CPEC scenario, the region is witnessing a number of mega economic interventions especially construction of dams and roads network, unexplored mineral resources, tourism, trade, renewable energy and emerging IT sector which is a huge job market and "We can get major benefits of this market by producing a skilled force."

"To cater to this situation, it requires complementarities such as an effective TVET system that can adapt and produce the required trained workforce in GB, so that economic positions can be filled by a Pakistani work force," he maintained.

Donors, govt officials deliberate strategy for effective implementation of 5-year TVET programme in Gilgit-Baltistan

By Farman Ali Baltistani

SKARDU Oct 25: Participants of a conference here on Monday stressed the need for equipping youth with technical and vocational education and training (TVET) to prepare them for the market needs and challenges.

There are a lot of opportunities in the construction, hospitality, power and tourism sectors in Gilgit-Baltistan that need to be explored and developed through collaborative efforts, they said.
